Application's introduction and instructions letter

Dear Parent(s)/Guardian(s) of prospective Handi*Campers,

Thank you for considering sending your child to our Handi*Camp in Omemee, ON (in the Peterborough area), from August 2-6, 2011.

You will find here below the application forms. We've recently revised application forms and plan to use this year's completed paperwork as the start of an individual camper registration file for your child. Here are the parts that are included in this year's application packet. **All forms must be completed before a potential camper can be considered (including photo):**

1. **STATEMENT FOR ACCEPTANCE TO HANDI*CAMP** (Golden sheet) –

Please read carefully this document that gives the criteria that we use for the acceptance of your child to the camp prior to fill all documents.

2. **APPLICATION FORM** (Green sheets) – Please read each section carefully as you complete it. We take the health of your child seriously. The information you provide is essential for planning for the overall health of each camper and staff member.
3. **PERSONAL PROFILE FORM** (Blue sheet) - This form will be photocopied and given to your child's counselor and made available to his/her Bible Teacher and other leadership staff so they can know information about your child's interests and activities, etc.
4. **CAMPER HEALTH HISTORY RECORD** (Yellow sheets) –This information will provide ready access to immunizations, allergies and health history information as well as medications, insurance and other important health areas. Please complete these pages carefully. If you don't have your child's current immunization record, your doctor's office or your child's school can perhaps make a copy for you. It's important that these dates be completed. NOTE: Only the most recent immunization date in each series is needed (not each of the DPT shots, for instance). **Additional note concerning medications:** Please call me at our office, and I will put you in contact with our Handi*Camp Head Nurse, if you have questions about sending medications. Our nurses cannot legally give any medications that are improperly labeled – including over-the-counter medications. **ALSO – Check to be certain you have completed and signed in ink all the release statements on page 3.**
5. **FEE INFORMATION SHEET** (Pink sheet) – Please carefully review the information concerning camp fees. **We require first the application fee of \$50. to cover the processing of the application (non-refundable).** Complete and return **Section 2** with a cheque made out to BCM International (Canada) Inc. with designation to **HANDI*CAMP 2011** when you return your application papers. Section 1 is for your records.

Referring to the numbers above, please return completed forms # 2 (green sheets), # 3 (Blue sheet), # 4 (Yellow sheets) and # 5 (Pink sheet) as soon as possible to:
